What to Pack for Camp Ocoee

Pack in a large duffle or wheeled footlocker. You will need to carry your luggage from the parking lot to your cabin. Pack for the full week of camp. We strongly advise you to write your camper's first and last name on all items brought to camp. Campers spend all day outside; we recommend old clothing appropriate for outdoor play.

** Swim wear should provide complete coverage, fasten securely and be designed for active wear, we suggest one piece or tankini style swimsuits. Camp is a natural setting that provides children the opportunity to "unplug" from electronics. **Please leave all electronics at home.**

Please examine your camper's selection of clothing, which might carry offensive slogans or symbols.
